

Product Data Sheet

Freeze Out

Physical Properties

Appearance:

Light Green Liquid

Odor:

Characteristic

Ph (Conc.):

7-8

Packaging

C4x1

About this Product

Freeze Out is a heavy duty formula designed to clean floors, walls and equipment in sub-freezing cold storage and freezer areas without the need for defrosting. Freeze Out is a unique solvent-detergent blend, which contains solvents to depress the freezing point and cut grease as well as detergents to emulsify and penetrate surface soils. The result is quick removal of soils without the need for defrosting.

Directions

In concentrate, Freeze Out is suitable for use at temperatures down to -20° F. In less extreme environments, better economies can be obtained by diluting Freeze Out at a ratio of two parts product to one part water (2:1). It can be used down to -20° F. A 1:1 dilution is suitable for temperatures down to 0° F. **DO NOT RINSE.** Remove soiled solution with wet vac, squeegee or dry cloth. Do not use on food contact surfaces.

Automatic Scrubbers: Fill tank with properly diluted product. Lay down solution with scrubbing action. Allow solution to remain on surface for 5 minutes. Rescrub.

Rotary Floor Machine: Apply solution by spray or mop and let soak for five minutes. Scrub well.

Manual Cleaning: Apply cleaner by spray, mop or sponge. Follow with aggressive double brushing or scrubbing.

PRECAUTIONARY STATEMENT

Prevention: Keep away from heat/sparks/open flames/ hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ ventilating/ lighting/ equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear protective gloves/ eye protection/ face protection. Wash hands and face thoroughly after handling. Response: IF ON SKIN: Wash with plenty of soap and water. For specific treatment: see section 4 on the Safety Data Sheet. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use dry sand, dry chemical or alcohol-resistant foam for extinction. IF SWALLOWED: Immediately call a POISON CENTER/doctor/medical professional. Do NOT induce vomiting.

Storage: Store in a well-ventilated place. Keep cool. Store locked up.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.

DANGER: Flammable liquid and vapor. Causes skin irritation.

Causes serious eye irritation. May be fatal if swallowed and enters airways.
