## Easy Scrub & Shine

Dual Purpose Floor Pad

## Get Beautiful Floors in One Step! It Cleans! It Shines!

Low Speed Floor Maintenance (175-350 RPM) | Lasts 5X longer than traditional floor pads

The **SSS Easy Scrub & Shine** floor pad is designed for daily or routine cleaning and burnishing. Using just water, over time your floor will gradually become shinier after each use. You'll be able to reduce or eliminate traditional floor burnishing – saving you time and money. All you need is a low speed floor machine/scrubber.

### EASY TO USE

- Chemical free – use with plain water or a neutral cleaning solution
- The wet process and low-speed machine does not create dust in the environment.
- Two-sided pad – for best results flip the pad daily, rinse regularly to remove dirt and debris
- Designed to be versatile and performs well on VCT, vinyl, sheet vinyl, ceramic tile, stone, terrazzo, concrete, marble, granite, and rubber.
- Brightly colored wear indicator – takes away the guess work

### SAVES TIME & MONEY

- **Easy Scrub & Shine** saves a step by reducing and/or eliminating the need to burnish floors to obtain a beautiful polished look. It reduces material, labor, and equipment cost.
- It is more durable and lasts 5X longer than traditional floor pads. Traditional scrubbing and cleaning pads have a pad life expectancy of 75,000-100,000 square feet, compared to **Easy Scrub & Shine** at up to 500,000 square feet. The cost per use is a fraction of traditional pads.

### EXCELLENT ENVIRONMENTAL PROFILE

- Helps facilities meet sustainability goals
